2022 - 2026	L.E.K. CONSULTING Global IT Strategy Manager, Jan 2025- Jun 2026 • Architected L.E.K.'s first living three-year technology roadmap, surveying 17 business functions and engaging 87+ stakeholders to define 200+ capability and process gaps, resulting in an annual strategic initiative plan and the formation of a global Enterprise Steering Committee • Authored executive-ready reporting for IT Steering Committee and Global Operating Committee reviews, driving 2025 strategic initiatives to 90% on-time completion • Directed a change management initiative to deploy an AI agent for routine IT communications, shifting send ownership to business units and cutting comms output by 48% (303 to 158) while maintaining quality • Led the IT Strategy team and its 2 direct reports through the department director's departure, sustaining delivery across 72 processes spanning 11 domains without disruption • Entrusted by the CIO to lead change for Global IT's reorganization into dedicated Data & AI and User Enablement divisions; helped shape the underlying org design, including team structure and staffing shifts	Houston, TX
	Associate Consultant, Apr 2024- Jan 2025 • Performed commercial due diligence of a dental service organization, rebuilding an EBITDA forecast financial model across revenue, de novo growth, and margin drivers ahead of a client refinancing • Built market-sizing and segmentation models translating data into actionable go-to-market recommendations for skilled nursing staffing and commercial fitness certification clients • Co-led IT setup of L.E.K.'s Riyadh office, conducting in-person vendor negotiations and ensuring the location site met operational needs; navigated Saudi-specific regulatory challenges, including data localization requirements and high internet costs from government-controlled providers • Delivered consistent consultant experience for the Riyadh office via gap analysis of regulatory-driven IT workflows; presented updates & strategic recommendations to the CIO and the global managing partner	Houston, TX / Riyadh, Saudi Arabia
	Associate, May 2022- Apr 2023, Senior Associate, Apr 2023- Apr 2024 • Executed competitive and market analysis across 9 due diligence & 2 strategy engagements across healthcare and industrials segments, including a successful multi-billion-dollar carve-out of a major home security provider • Ran primary & secondary research campaigns, including 350+ interviews, surveys, and expert outreach, synthesizing findings into insights that informed client strategy and acquisition decisions	Houston, TX
2021 - 2021	WEAVE INC. Corporate Strategy Analyst, Apr 2021- Aug 2021 • Conducted primary research with electricians, plumbers, and HVAC owners to assess product-market fit for Weave's expansion into home services, then partnered with a small team to translate findings into a go-to-market strategy and sales recommendations	Lehi, UT
